Dear Mr. Gibson:

We recently received notice that NATCA PAC made an excessive contribution of \$1,000 to Congressman Reed's 1996 primary campaign. Please be advised, as per the attached letter, that we have asked his campaign to redesignate that contribution to the general election. This will be reported on the report due July 20.

Additionally, we have also been notified that we made an excessive contribution of \$1,000 to Senator Baucus' primary campaign. We have also asked his campaign committee to refund that money. This too will be reported on next month's report.

I apologize for the error. If you have any questions, or need more information, please do not hesitate to contact me.

Sincerely,

Ilisa A. Oman  
NATCA PAC Custodian

Dear Sir or Madam:

A review of the Federal Election contribution records of the National Air Traffic Controllers Association Political Action Committee (NATCA PAC) and the National Marine Engineers' Beneficial Association (NMEBA), with whom we are affiliated, discloses that your campaign committee has received contributions in excess of the \$5,000 limit for the 1998 primary campaign. Additionally, records show that NMEBA and its affiliates have reached the allowable limit for the general campaign.

In order to comply with federal election law, NATCA PAC requests a refund for \$1,000 of the excess contributions to Senator Baucus' campaign. The refund should be made out to NATCA PAC. Ultimately, we would like to then contribute this money to the Montana State Democratic Party.

If you have any questions, please do not hesitate to contact me. Thank you for your cooperation.

Sincerely,

Ilisa A. Oman
